Should it occur that we are unable to fill your order completely we will, as in the past, substitute the next larger size or omit the item and make you a refund. We do not substitute varieties without specific authorization, and then we prefer that you indicate a second choice.

Prices in this list are f.o.b. Chico, California. All transportation charges are to be paid by purchaser. We exercise great care to ship by the cheapest and best routes and to secure the lowest rates on all shipments. Residents of California will please enclose 2½% State Sales Tax.

Terms. Cash with order, except for customers having established charge accounts.

WARRANTY. Our varieties are guaranteed true to name and description under which they are sold. While there is great confusion in nomenclature and many varieties are sold under various synonyms, we are constantly on the alert for these synonyms and sell our plants under the names most generally accepted.

Even in the face of advanced costs, we are holding our prices steady with last season in an attempt to curb the inflationary trend which is now gripping our country. We know we will have your wholehearted support in this endeavor.

We, therefore, would greatly appreciate the opportunity of serving you while our prices are at this level and will do our utmost to prevent them from going higher. At the same time we assure you that our stock is in excellent condition and we know that you will be pleased with it.
